

Technical data sheet

Deskbox with MS sockets, cable, open

Item no. 6116908

The DB Deskbox ensures a direct supply of the workplace with power, data and multimedia technology and is suitable for fixed attachment to a tabletop. The Deskbox is equipped with a connection cable, which runs out of the profile from below. The housing consists of an anodised, silver-coloured aluminium profile.

The Deskboxes can be mounted simply on a table top with 2 fastening vices, without damaging the table top. Mounting is possible on a table top with a thickness of 8 to 40 mm.

The Deskbox is equipped with two black British Multistandard sockets, which are equipped with a 3 m power cable with wire end sleeves at the end of the cable. In addition, two data technology modules (RJ45 to RJ45, switched 1:1, Cat. 6 shielded) are mounted.

The ready-for-connection type DBK Deskbox is particularly suitable for the direct supply of workstations with energy, communication and data technology connections.

Alu Aluminium
