## Flexkanal

Item no. 6154922

The Flexkanal runs your cables ordered and protected to the desk. It connects the Deskbox with the dado duct or with the floor connection box. When extended, the Flexkanal is 1,000 mm long, 60 mm wide and 20 mm high.

The duct consists of two chambers, capacity per chamber:  
two cables of 8.5 mm diameter or three cables of 7.5 mm diameter or  
four cables of 7.0 mm diameter or five cables of 6.0 mm diameter.

### Master data

Item no.	6154922
