

Technical data sheet

Nail anchor N-K with nail head, V4A

Art.-Nr. 3498393

The nail anchor N can be used for multiple fastenings of non-load-bearing systems, indoors and outdoors, in cracked and non-cracked concrete, thereby combining the benefits of a bolt tie with even easier mounting. The nail anchor only needs to be hammered into the drill hole. When the load occurs, the nail anchor spreads itself and bolts itself in the drill hole.

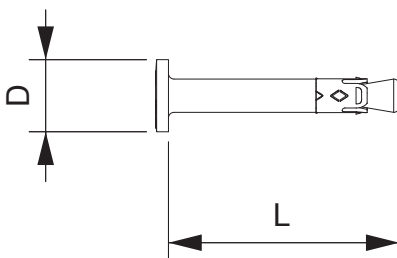

A4	Stainless steel, rustproof
2B	Bright, reworked

Additional product text, instruction
European technical approval ETA-11/0240, including characteristic values under fire exposure to fire resistance R 120.

Master data

Item no.	3498393
Type	N-K 6-5/44 A4
Description 1	Nail anchor N-K
Description 2	with nailhead
Dimension	6x44mm
Material	Stainless steel, material A4
Material symbol	A4
Surface	Bright, reworked
Surface symbol	2B
Smallest sales unit	50,00 Piece
Weight	1,10 kg/100 pc.

Technical data

Length	44,00 mm
Dimension D	13,00 mm
Dimension L	44,00 mm
Version	Lightning strike
Fastening unit	Other
Drill hole depth	40,00 mm
Drill hole diameter	6,00 mm
Clamping strength	5,00 mm
Self-drilling	<input type="checkbox"/>
Approvals available	<input checked="" type="checkbox"/>
